Approval and statement of responsibility

The trustees of the trust are responsible for the maintenance of adequate accounting records, and the preparation and integrity of the annual financial statements and related information. The auditor is responsible to report on the fair presentation of the financial statements. The financial statements have been prepared in accordance with generally accepted accounting principles.

The trustees are also responsible for the trust's system of internal financial control. These are designed to provide reasonable, but not absolute, assurance as to the reliability of the financial statements, and to adequately safeguard, verify and maintain accountability of assets, and to prevent and detect material misstatement and loss. Nothing has come to the attention of the trustees to indicate that any material breakdown in the functioning of these controls, procedures and systems has occurred during the period under review.

The annual financial statements set out on pages 1 to 11 are the responsibility of the trustees and have been approved for issue by the Board of Trustees and are signed on their behalf by:

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF NDIFUNA UKWAZI TRUST

Report on the financial statements

We have audited the annual financial statements of Ndifuna Ukwazi Trust, which comprise the trustees' report, the statement of financial position as at 29 February 2012, the statement of income and retained earnings, the statement of changes in equity and cash flow statement for the period then ended, a summary of significant accounting policies and other explanatory notes, as set out on pages 4 to 10.

Trustees' responsibility for the financial statements

The trustees are responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accouting principles. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

In common with similar organisations, it is not feasible for the trust to institute accounting controls over donations received prior to initial entry in the accounting records. Accordingly, it was impracticable for us to extend our examination beyond the receipts actually recorded.

Opinion

In our opinion, except for the effect of such adjustments, if any, as might have been determined necessary had we been able to examine controls over donation income prior to initial entry in the accounting records, the financial statements fairly present, in all material aspects, the financial position of the Ndifuna Ukwazi Trust as at 29 February 2012, and its financial performance and its cash flows for the period then ended in accordance with generally accepted accounting principles.

Supplementary information

Without further qualifying our opinion, we draw attention to the fact that the supplementary schedule set out on page 11 does not form part of the annual financial statements and is presented as additional information. We have not audited this schedule and accordingly do not express an opinion on it.
